BELLEROPHON

The Senior Class
of 1930

Foreword

THAT we may have an enduring souvenir of our high school days to which we, in later years may turn, to renew again the memories which all loyal alumni of Convoy High School so fondly cherish, we offer to you this seventh volume of the Bellerophon. It is not our purpose to give to you a history of this year, but rather a panorama of our high school life in all its varying phases as we Seniors have seen it. May the 1930 Bellerophon instil in your hearts a richer love for your Alma Mater, and a keener enthusiasm for a Greater Convoy High School.

The School

More than sixty years ago the school children of Convoy attended school in a one-room log cabin.

Today conditions are much different. We attend school in a modern, well-equipped building, which was constructed in 1918. The Convoy School District and the Tully Township District were united under the name of the Tully-Convoy School District at this time.

Because of the increased attendance, an addition was built in 1924, which consisted of three grade rooms, three high school recitation rooms, a domestic science room and cafeteria, and a large gymnasium-auditorium.

On March 28, 1927, the County Board of Education transferred four districts from Harrison Township to the Tully-Convoy District, or altogether sixteen square miles, making a total of fifty-two square miles in our district.

The Tully-Convoy School District is considered one of the best in the county. All former students and alumni are proud of their "Alma Mater," and are loud in their praise of her accomplishments.

The Tully-Convoy Board of Education

The Board of Education of the Tully-Convoy Schools has been a large factor in making our school one of the most successful and progressive for its size. The members of the board have always taken a manifest interest in the school's affairs, and have given much of their valuable time so that the boys and girls might have the best educational advantages possible.

This year there were three new members on the board, Mr. W. P. Freck, Mr. Walter Hilton, and Mr. Floyd Mollenkopf. Mr. Otto Hertz and Mr. Roy Shearer are both old members. When the board organized, Mr. Freck was elected president and Mr. Otto Hertz, clerk, after the resignation of Mr. H. B. Leslie who has served on the board so faithfully for such a long time, and of Mr. Glenn Hall, who had served during the past year—both of whom were re-elected last November.

We want our board to know that we appreciate all they have done for us, and that they have not labored in vain.

SCHOOL SONGS

Dear old Convoy High School,
We love you.
Dear old Convoy High School,
To you we will be true,
Dear old Convoy High School,
You're sure to win we know,
And that is why we love
Our Convoy High School so.

Convoy High School, we are proud of you
For what you mean to us, and the Alumni, too,
Rah! Rah! Rah!
Those before us, those drawing nigh
All those who may, will surely say,
"We're glad we're from Convoy High."

Convoy High School, to us you'll always stand
Foremost and highest, always the best in the land.
Rah! Rah! Rah!
Some may pass us; others will surely try;
We'll come out fine—just give us time,
"We're glad we're from Convoy High."

Convoy High School, we're in love with you,
'Tis a royal spirit that guides our High School through
Rah! Rah! Rah!
Teams so faithful, ever so loyal and true;
We're out for the best—so give us the test,
"We're glad we're from Convoy High."

Hurrah for Convoy!
Convoy will win!
Fight to a finish,
Never give in!
Rah! Rah! Rah!
You do your best, boys!
We'll do the rest, boys!
Fight for a victory!
Rah! Rah! Rah!

SENIOR CLASS HISTORY

One fine September day in 1926 forty-one youths and maidens boarded the slow train, "Freshman," enroute to the land of Diplomas. Unmindful of the obstacles which lay ahead of them, all started the routine of the year with high hopes. The class soon organized under the leadership of Miss Hammarstrom, president, Engineer Gage Helms, vice-president, Fireman Hy Davis, and secretary-treasurer, Conductor William D. Long. Crimson and gold were chosen as class colors, and the American Beauty Rose, as the class flower. At the end of nine months the train, "Freshman," pulled into the station, which proved that the first quarter of the trip was over.

After a three months' stop, they boarded the fast line, "Sophomore." Again they organized—this time under the leadership of Mr. Swartz, president, Engineer Elizabeth Freck, vice-president, Fireman William D. Long, and secretary-treasurer, Conductor Besse Rummel. For this trip they chose orchid and green as their class colors, the pink tea rose for their flower, and "Strive for the distant goal" as their motto.

The first social event was a wiener roast to which they invited their friends, the Freshmen.

Aboard their train this year was Mr. Activity with his two sons, Basketball and Football. Gage Helms and Murray Woods welcomed Mr. Football into the group, and Hy Davis, Gage Helms, Dorothy Lee, Altha Kilgore, and Elizabeth Freck invited Mr. Basketball on board. Thus neither was slighted. Again the train pulled into the station, and they all had a rest of three months from their strenuous trip.

After this the class again boarded the fast express, "Junior" for another fourth of the way. This year they organized under the guidance of Miss Heath with president, Engineer William D. Long, vice-president, Fireman Mildred Rummel, and secretary-treasurer, Conductor Altha Kilgore. Two great obstacles were on the track ahead. The class presented as its annual class play, "The Arrival of Kitty," which was very well received, and also sponsored the Junior-Senior banquet, which was an overwhelming success. After overcoming these two hindrances, the class got off the train; and this trip ended in an outing at Trier's Park, Fort Wayne, Ind.

The following September twenty-one boarded the limited, "Senior," for the final fourth of the journey. They organized this year with Miss Benroth as class sponsor, president, Engineer William D. Long, vice-president, Fireman Helen Sponteller, and secretary-treasurer, Conductor Mary Gunsett.

This year they entered the oratorical contest, where they succeeded in capturing all first places. Again Mr. Basketball and Mr. Football were cordially invited to join the group, with Altha Kilgore, Elizabeth Freck, Alice Armstrong, Gage Helms, Ward Crabtree, William Long, and Paul Hedges representing them.

Now the class is at the end of its long journey. It has striven for the goal, and is about to reach the land of Diplomas. It has yet to overcome the class play and commencement. When it boards the train of life, may it be just as successful in meeting the obstacles along the way as it was on its high school express, enroute to the Land of Diplomas.

JUNIOR CLASS HISTORY

In the fall of 1927 we, as a class of fifty-three Freshmen, organized with Betty Dwire, president; Frederick Foley, vice-president; Helen Bricker, secretary; Mildred Tracy, treasurer; and Miss Heath, sponsor.

The main social event took place in October, when the Sophomores entertained the Freshmen at a wiener roast.

We, as Freshmen, took an active part in all activities: namely, Girls' Glee, Girl Reserves, Boys' Glee, the County Eisteddfod, and Debating. Four members of the football team were from our class,—John Shaffer, Harold and Ferrol Joseph, and John Steele. On the basketball teams were Mildred Tracy, Helen Bricker, and John Shaffer. It was during this year that we gave several chapel programs and an Arbor Day program.

On the last day of school we entertained the Sophomores at Edgewater Park, Celina. We then realized that our first year of high school life was ended.

As Sophomores, in the fall of 1928, we organized with Floyd Mefferd, president; Marlen Muntzinger, vice-president; Arthur Mosel, secretary-treasurer; and Mr. Livingston, sponsor.

We again took part in all school activities,—Glee Clubs, Orchestra, Chorus, the County Eisteddfod and Oratorical Contest. This year Arthur Mentzer, John Shaffer, and Harold Joseph qualified for football, while Helen Bricker, Mildred Tracy, Esther Gardner, Catherine Jones, Betty Dwire, Hy Davis, John Shaffer, and Merlin Smith were members of the basketball teams.

Our class enjoyed a wiener roast at Turner's Grove in October, and in March, a roller-skating party at the Y. W. C. A. in Van Wert. On February the twenty-first we gave a George Rogers Clark program. The last day of school was spent at Trier's Park in Fort Wayne, where the Juniors were our guests.

At the beginning of our third year in high school we organized with Mildred Tracy, president; Clarence Friedly, vice-president; Norma Bollenbacher, secretary-treasurer; and Miss Carter, our sponsor.

In order to earn money for class activities, our class gave a chicken supper, sold Jello, McCall magazine subscriptions, and also sandwiches at the football and basketball games.

Our first party of the year was a wiener and marshmallow roast at Turner's woods, and here we initiated the new teachers into the social whirl of the school.

The Juniors presented the Thanksgiving program, which consisted of a playlet, recitations, and a debate.

The individual members of the class again participated in athletics. Those receiving letters in football were John Shaffer, Marlen Muntzinger, Hy Davis, and Lorenz Reidenbach; those in basketball were Mildred Tracy, Helen Bricker, Betty Dwire, Hy Davis, and John Shaffer. Altha Armstrong, Catherine Jones, and Lorenz Reidenbach were regular substitutes.

Thus ended our third year in Convoy High School,—one of the most enjoyable and profitable of our high school career.

SOPHOMORE CLASS HISTORY

Who knows? Maybe one of the most famous classes ever to be graduated from Tully-Convoy High School entered the Assembly one sunny September day in the fall of 1928. Although it did not seem so far from the Eighth Grade Room to the east section of the Assembly, our class felt much older and more important. The fifty-four Freshmen filled the space well. For our officers we elected Hazel Rader, president, Ward McDaniel, vice-president, Rex Hanley, secretary, and Elizabeth Mollenkopf, treasurer.

We were welcomed into the activities of high school by the Sophomores at a wiener roast in the woods. There we luckily escaped being initiated, although the Sophomores had prepared to do so. The next party was made up of ghosts, witches, and other fantastic Hallowe'en characters. About mid-year many figures were burned by those who were too anxious for the taffy pull. Yet in spite of these few obstacles everyone had a good time.

The Freshmen did not fall down in activities. In both basketball and music they took part. Then after giving an Arbor Day program and a picnic on the German picnic grounds, we disbanded for the summer vacation, which was ours.

Once again this same class entered high school to occupy the central part of the assembly. In class organization we elected Rex Hanley, president; Gail Mohr, vice-president; and Clifford Schaadt, secretary-treasurer. Our class was now above the Freshman age, and very brotherly to those who had just entered the high school. As was customary, the Sophomores entertained the Freshmen at a wiener roast. But one thing was prohibited—the right of initiating. Nevertheless everyone had a good time while sitting on logs around the fire.

This year seemed to lack parties for various reasons; but the main reason was that the Sophomores have been a very busy group of people. But we did pay tribute to Washington and Lincoln in the program dedicated to those two heroes.

Thus the second year of our high school career came to a close, leaving every member of our class happy and eager for our last two years in school.

FRESHMAN CLASS HISTORY

In the fall of 1929, forty-three "Green Freshies" enrolled in Convoy High School. Five withdrew and one entered during the school year.

At our first social event, we were entertained by the Sophomores with a wiener roast in a woods northeast of Convoy. Every member of the class had a very enjoyable time.

When our class met, with Mr. McCleary as sponsor, we elected Daniel Pugh, president; James Baker, vice-president; and Herman Bricker, secretary-treasurer.

In athletics, we were represented on the football squad by Daniel Pugh and Floyd Greulach. Jeanne Long and Ernestine Shaffer represented us on the Girls' Basketball team.

Herman Bricker, Ernestine Shaffer, Jeanne Long, Glenna Mollenkopf, Paul Rader, Maurice Kreischer, Avis Crabtree, Genevieve Duncan, Florence Schaffner, Lela Fensler, Harold Greulach, Floyd Sheets, Carl Feasby, Maxine Case, Velma Schaadt, and Lowell Hoelle had parts in the operetta, "Princess Chrysanthemum," which was given by the High School in the fall.

Some of the girls joined the Girl Reserves and Girls' Glee Club, while some of the boys were admitted to the Boys' Glee Club.

Herman Bricker, Jeanne Long, and Ernestine Shaffer represented our Class in the High School Oratorical Contest.

This year has been such a successful one that we are all looking forward to our remaining three years in dear old Convoy High School.

THE HISTORY OF THE EIGHTH GRADE

The year of 1929 brought the class of 1934 to the Eighth Grade. We had a large enrollment. During the year we added more to this list. Those who entered during the year were Alice Imler, Lois Spry, and George Whitlock, while Wayne Elliott and Delmer Lewis withdrew at some time during the school year.

At our first class meeting we elected the following officers:

President	John Miller
Vice-President	Marybelle Davis
Treasurer	Cleo Wortman
Secretary	Joe Terry

Although we did not organize a basketball team we had a lot of fun playing the Seventh Grade. They had an excellent team and we shared our victories half half and half.

We, with the Seventh Grade, gave a pageant "The Children of the Pilgrim Fathers." Several of our class took part in the Lincoln-Washington program. At the Farmers' Institute we gave a radio program.

The girls of our class took cooking this year. We helped serve the lunches at the Cafeteria.

The members of the Eighth Grade owe much of their success to Mr. Jameson, Mr. Eaton, Miss McCleary and Mrs. Mohr, their teachers. Everyone may expect big things from us during the next four years.

School Life

Besides our regular school work there are many school activities which make our school life very pleasant.

From the beginning of the year until near the close of school, athletics such as basketball and football play a very important part. These sports develop both mind and body, and teach the pupils clean sportsmanship.

Music also is an important activity in our school curriculum,—there being separate organizations for chorus, boys' and girls' glee clubs, and orchestra.

Another organization which is beneficial, especially in the girls' school life, is the Girl Reserve Club. This club helps develop the mental, moral, and social sides of a girl's life, and is very helpful to its members.

In later years these activities will be one of the pleasant memories we will have of our high school days.

THE STAFF

The success of any annual depends, in a large measure, on the staff. Thus it is important that the most capable members of the class be selected. This year the faculty selected the entire staff, which was then approved by the class. Besides the regular staff, an editor was chosen from each of the lower classes, that he might familiarize himself with the planning of an annual, and be responsible for all material needed from his class.

Each member of the staff, together with Miss Benroth and Mr. McCleary, the advisers, has endeavored to make this seventh volume of the Bellerophon, a book that will be treasured in the years to come, and will be a worthy successor to its predecessors.

In behalf of the Senior Class, the staff wishes to take this opportunity to thank all who have helped in any way to make this annual what it is,—the individual contributors, the faculty, and the advertisers, without whose help this annual would not have become a reality.

Samuel R. Glover, her young brother	Frank Wortman
Kratz, a German mechanic	Murray Woods

Under the direction of Miss Benroth, the Senior Class presented as their annual class play the comedy, "Husbands on Approval," in the school auditorium, the evenings of May the eighth and ninth to large and appreciative audiences.

One evening, at a dance, Nancy Glover receives four proposals of marriage, from Devon, Seaver, Rowe, and Fitzgerald. Being very temperamental, she was unable to decide which of the four she loved most. She, therefore, decided to have them all come to her home to live for a month as her guest, during which time each was to attend to his regular business, but to remain at home every evening without exception, living a perfectly natural and simple life, as one of the family.

They accepted! The situations which arose were extremely funny; and, at the end of the month, after she had turned down Devon, to whom she had been most attentive during the month's trial, Seaver, Rowe, and Fitzgerald announced their preferences for Rita, Mrs. Glover, and Catherine, respectively. The play was brought to a most happy conclusion with the reconciliation between Nancy and Devon, to the satisfaction of all.

JUNIOR CLASS PLAY 1929

"THE ARRIVAL OF KITTY"

CHARACTERS

Sam, a porter	Carl Dauler
Ting, a bell-hop	Gage Helms
William Winkler	Paul Hedges
Aunt Jane, his sister-in-law	Elizabeth Freck
Suzette, her maid	Ethel Harmon
Jane, Winkler's niece	Altha Kilgore
Bobbie Baxter, in love with Jane	Wilhelmine Reidenbach
Benjamin More, the bridegroom	William D. Long
Kitty Benders, an actress	Winifred Reidenbach

Under the direction of Miss Benroth and Miss Heath the Junior Class presented very capably, the farce, "The Arrival of Kitty," in the school auditorium the evenings of April the fifth and sixth last spring. Very large and appreciative audiences enjoyed the performance of the cast very much.

This play has enjoyed perhaps a greater success than any other play of the present time, as it has been presented more than five thousand times on the professional stage, and each year finds more amateurs using this as their presentation.

Bobbie Baxter, pursuing his little love affair with Jane against the opposition of her uncle, William Winkler, has occasion to disguise himself as a woman, and is mistaken for Kitty, an actress and close friend of Winkler, to the vast confusion of everything and everybody, which is intensified by the arrival of the real Kitty. At this point in the play, things begin to happen; and new twists are added to the story by Aunt Jane, Winkler, More, and others.

Between acts Helen Sponseller and Mary Gunsett sang Scotch songs in costume; Carl Dauler sang, "Carolina Moon," and Frank Wortman and Herbert Fensler entertained the audience with a novelty act. A combined school and community orchestra furnished music.

JUNIOR CLASS PLAY 1930

Effie Varden	Norma Bollenbacher
Jenny Thatcher	Mildred Tracy
Jim Jerkins	Lorenz Reidenbach
Ruth Thatcher	Esther Gardner
Jack Webster	Hy Davis
Reggie Manners'	Donald Lare
Sally Graham, (Cyclone Sally)	Betty Dwire
Vivian Vernon	Helen Bricker
Willie Clump	John Shaffer

Sally Graham, a charming, vivacious girl, who has no use for shirkers such as Jack Webster decides to make a man out of him by impersonating Sue Bascom whom he intends to marry for her money which he has learned she is to inherit. In spite of opposition, led by English Reggie, who is slow at seeing through American jokes, and Vivian, the belle of the countryside, Sally succeeds.

As the laughs and thrills accumulate, the climax is reached when Jack finds to his dismay that, instead of courting Sue he has been courting his mortal enemy, Cyclone Sally.

The comedy of the play is furnished by the forgetful and dumb Willie who never remembers to whom he proposes.

This play was presented by the Junior Class in the Tully-Convoy School Auditorium the evenings of April the tenth and eleventh, under the direction of Miss Margaret Carter, sponsor of the Junior Class.

What would the school do without an orchestra to participate in each program? At the class plays the orchestra has regularly appeared. Then, too, it appeared at the annual Farmers' Institute, as well as at the local Oratorical Contest. Along with book learning, young people need some musical training. This can be had by a couple of hours' orchestra practice every week. The future generation should be a very musical one,—in fact we should have a golden age in music.

Some of the compositions which are played by this organization are as follows:

- "The Starry Emblem"—Engel.
- "A Perfect Day"—Bond.
- "O Sole Mio"—di Capua.
- "March Romaine"—Gounod.
- "Morton High School March"—Townsend and Pyle.
- "Minuet" from the Opera "Don Juan"—Mozart.
- "Over the Waves"—Rosas.
- "Flag of Truce March"—Laurendeau.
- "Dancing Dolls' Gavotte"—Seredy.
- "Bridal Chorus" from "Lohengrin"—Wayne.

One of the outstanding musical interests of the school throughout the year of 1929-1930 has been the Junior Orchestra. Miss Seitz has given this organization a great deal of attention, and the results have shown that this has been very worthwhile. Many young students, after taking private lessons, have been promoted to this orchestra, and have gained through practice in it a good idea of ensemble playing.

The Junior Orchestra played at the Manual Training-Home Economic exhibit and also at some of the grade school programs which were presented at the close of the school term. Some of the compositions which they played were as follows:

- "A Perfect Day"—Bond.
- "A Song in the Night"—Baldwin.

The Boys' Glee was organized in the early part of October, and is composed of boys in high school who are interested in vocal music.

The boys made their first public appearance before a session of the Farmers' Institute. They sang two Southern songs which were appreciated very much.

They next began to study the numbers for the quartettes, boys' chorus, and mixed chorus for the County Eisteddfod. Several quartettes were chosen to compete in the local Eisteddfod, the winning one to participate in the county contest.

The baritone section for the Mixed Chorus was selected from the Boys' Glee. Eight entered solo competition; these winners also represented us at Van Wert.

When the County Eisteddfod was over they began to work on some numbers to be given at Commencement time.

This year the girls sang "Slumber Boat" at the Van Wert County Eisteddfod. Jeanne Long and Harriet Long, both members of the Girls' Glee, represented us in the soprano and alto solo competitions, respectively.

The club has been under the personal supervision of Miss Seitz for the past two years, and whatever progress the club has made can be attributed, in part, at least, to the training she has given the members.

"Love is the spirit of Life,

And Music is the life of the Spirit."—Coleridge

The Mixed Chorus is composed of members of all four high school classes. We do four part chorus work. We sang "On the Road to Mandalay" by Kipling and "Russian National Anthem" at the Farmers' Institute this year. At the Eisteddfod we sang "The Clang of the Forge" by Rodney. The Baccalaureate music will also be furnished by the Mixed Chorus.

The Chorus numbers twenty-seven sopranos, twenty-one altos, fourteen tenors, and twenty basses.

Miss Seitz, our music instructor, has been with us for the past two years. She has spent much time at group and private practices to improve the tone quality and blending of the chorus. We hope that the chorus will enjoy many successful years in time to come.

For the fourth successive year the "Yovnoc Girl Reserve Club" organized last fall, with an increased membership over other years. Meetings were held every two weeks with alternate meetings held at the homes of the members. This year Miss Stafeld has been the adviser of the clubs throughout the county, while our local sponsor was Miss Helen McCleary. Under her guidance our club has undertaken several new projects.

The programs were, for the most part, very interesting and helpful. Programs, mostly, dealt with "World Fellowship," "Manners," and "Health." The club ever "ready for service," sent donations to the needy in our locality that they might have Thanksgiving Cheer. A "Treasure Chest" which was filled with school supplies for the children in the Philippines was sent to them through the Y. W. C. A.

We feel that we have a much better club this year than ever before. We have received very much personal help, and have tried to use it in our everyday lives. The club has tried to live up to the Girl Reserve Code more than at any time in the past. Our earnest desire is that our Girl Reserve Club will be much more successful, and mean more to the girls of our high school than it has ever in the past.

EXTRA-CURRICULAR ACTIVITIES

THE RED AND WHITE

Our school, not seeing fit to publish an independent school paper extends its appreciation to the editors of the "Convoy Signal News," for the space given us each week for school activities. Each week the Editor-in-chief and her assistants collect the news to be published. The aim of the staff is to keep the patrons of our school informed about events pertaining to school life.

The weekly attendance of each class is a regular item, which helps to create a desire in every conscientious student to do his part in helping his class to have perfect attendance, or at least a minimum of absence.

Every six weeks the Honor Roll is published for both grades and high school, which makes the pupils strive to keep up in their work, so that they might receive honorable mention.

The monthly spelling contest one hundred percent pupils also have the pleasure of seeing their names in the paper, which has been another incentive to work.

The staff of the "Red and White" was as follows:

Editor-in-chief	Mary Gunsett
Senior Editor	Helen Sponseller
Junior Editor	Norma Bollenbacher
Sophomore Editor	Harriet Long
Freshman Editor	Ernestine Shaffer

RADIO PROGRAMS

As the radio has been the means of help and progress along so many varied lines, why should it not also bring help and progress to the pupils of the public schools?

The Tully-Convoy High School was the first in Van Wert County to possess a radio, and therefore have the privilege of hearing the broadcasts of the "Ohio School of the Air."

During this year we have been privileged to listen to a number of very interesting programs, and have learned facts of which we probably would never have heard, otherwise. We listened to the procedures of the "Naval Disarmament Conference" at London, England. We also heard Mr. Henry Stimson, Secretary of State, talk on the object of the conference, as well as leading men of other nations, interested in the conference.

We were also privileged to hear the funeral service of Chief Justice Taft,—a service that was very different from any that we have ever heard, and yet very impressive.

Station WLW at Cincinnati, Ohio broadcasts every week educational programs on different subjects of interest. These programs are sponsored by the Ohio Department of Education, the originators of this plan.

ORATORICAL CONTEST

The schools of Van Wert County, continuing to see the need of advancing literary activities, again held their annual Oratorical Contest. Our own local contest was held the evening of November the twenty-first.

Each class had a representative for each of the three competitions,—reading, oration, and short story. Ernestine Shaffer, Herman Bricker, and Jeanne Long represented the Freshmen, Mary Meads, Rex Hanley, and Harriet Long, the Sophomore Class, Esther Gardner, Betty Dwire, and Floyd Mefferd, the Juniors, and Mary Gunsett, Elizabeth Freck, and Winifred Reidenbach, the Seniors.

Elizabeth Freck, Winifred Reidenbach, and Mary Gunsett were declared winners by the adjudicator, Mr. E. L. Moyer, Principal of the Van Wert High School. These three girls represented us in the County Oratorical Contest held the next week at Van Wert.

The interest shown this year was greater than ever before, and we hope that this will continue to grow. Tully-Convoy High School lacked one point of tying the score with Ohio City-Liberty, the school that won first place.

EISTEDDFOD

The Eisteddfod is one of the most important activities of the school. Those who elect music as a part of their year's work, show the community their progress at this time. The Eisteddfods of this year have been the best attended of any preceding year.

Prof. Oswald Jones, Supervisor of Music in the Fort Wayne Public Schools, was the adjudicator for the local Eisteddfod which was held March the eighteenth. The winners in each event represented us in the Van Wert County Eisteddfod, held the last of March.

The program for the local Eisteddfod with the winners follows:

SOCIAL CALENDAR

SENIOR

The members of the Senior Class met at the school house one evening early last fall, where they found cars ready which were soon filled to their capacity. The Seniors were soon merrily on their way to Turner's Grove on the Lincoln Highway.

As the evening was rather cool, everyone began gathering wood for a roaring fire, and soon all were saying "Bring on the eats."

After everybody had had his fill of hot, juicy wieners and golden brown marshmallows, all gathered on logs around the cheery fire, and began to tell stories,—Scotch, as well as spooky, ghost stories. Mr. McCleary also added much to our entertainment with his songs.

Later, we left the glowing embers, treasuring pleasant memories of our last wiener roast in high school.

JUNIOR

One evening last October the Juniors enjoyed a wiener and marshmallow roast in Turner's Grove, which proved a very popular gathering place for parties of this kind this year. After having had great difficulty starting a fire, and being compelled to use a can of automobile polish before they finally succeeded, the Juniors gathered around the blazing fire to roast their wieners and marshmallows. Afterwards, games were played in which high school teachers as well as Juniors participated. Some of the Juniors were unable to take part in the games because of eating too many sandwiches. At a late hour the Juniors departed for their homes, declaring the first party of the year a huge success.

SOPHOMORE-FRESHMAN

Soon after school had begun in the fall, the Sophomores initiated the Freshmen into high school life by giving a wiener roast in their honor at Turner's Grove. When the embers were finally glowing, to the delight of all, especially the "Freshies," all gathered around them, and then the fun started in earnest. After all the wieners and marshmallows had been roasted, wierd stories were told, games of all kinds were played, and rollicking songs were sung. Several of the high school teachers and the majority of both the classes attended, all having had a most splendid time. We are sure that this will be one of our most pleasant memories of this year of our high school life.

FOOTBALL BANQUET

The evening following the Payne game, which was the last of the season, the Home Economics Department of the school served a delicious three-course banquet to the entire football squad. Following the "feed" short talks were made by the members of the squad, after which John Shaffer and Paul Hedges were elected honorary captains by their team mates.

BASKETBALL PARTY

On March the twenty-first the boys' and girls' basketball teams were entertained at the school building by the Athletic Association.

When the guests arrived they were ushered into the second grade room, which was very prettily decorated; a color scheme of green and white was carried out throughout the evening in honor of St. Patrick's Day.

Soon everyone took part in a game of "Champs," at which William D. Long and Thelma Pettit held high scores, and were declared the champs. Then several guests participated in a "Honeymoon Race." During the course of this game Mr. and Mrs. D. C. Eaton, our newly-weds, were very much surprised when parcels of all sizes and descriptions fell from their umbrellas, which caused much merriment for the on-lookers, to the evident embarrassment of the participants.

At a late hour a delicious two-course lunch was served, after which letters were awarded to the members of both teams by the coaches, Mr. Jameson and Mr. Eaton. Then the guests departed, all declaring that they had had a most pleasant time.

GIRL RESERVE PARTIES

The first party of the year sponsored by the Girl Reserves was held at the home of Wilhelmine and Winifred Reidenbach on the evening of December the twentieth. This was a Christmas party; decorations were carried out in the Christmas colors, the girls all enjoying the Christmas tree. A Christmas program was carried out, with open discussion by all present. After a delicious Christmas lunch was served, all departed for their homes, declaring they had spent a most pleasant evening.

Parties were also held at the homes of Norma Bollenbacher and Elizabeth Freck during the year. The regular business sessions were held, followed by programs prepared especially for the occasion.

On the fourth of April the girls of the club entertained the boys of the high school at an "April Fool" party held at the schoolhouse. All who attended report that they had a very hilarious time. At a late hour all departed for their homes, declaring this one of the most enjoyable parties of the year.

JUNIOR-SENIOR BANQUET

JUNIOR-SENIOR BANQUET

On the evening of May 17, 1929 the members of the Junior and Senior classes, of the Board of Education, and the faculty met at the school house for the annual Junior-Senior Banquet. The guests were ushered to the reception room by two attentive butlers, Donald Lare and Arthur Mosel. The room was made cheery and comfortable by an overstuffed suite and large bouquets of sweet peas.

At seven-thirty the guests went down to the gymnasium where the banquet was to be held. What a sight met our eyes! The gymnasium had been transformed into a typical Japanese Garden. Orchid and rose wistaria hung from the ceiling in abundance amidst Japanese lanterns and butterflies. Floor lamps and low potted plants added to the beauty of the room. At the front was a lattice work covered with green foliage and wistaria. The Japanese lanterns cast a soft mellow glow over the small tables.

There were four people at each table. As the banquet had been carried out in butterfly style the programs took the shape of pink butterflies with bronzed wings.

The waitresses were chosen from the Sophomore class, the head waitress being Wilma Cox.

Music for the evening was furnished by an Orthophonic Victrola.

After a delicious five course banquet, the Junior Class presented the following program:

Welcome	William D. Long
Response	Russel Jones
"Color"	Elizabeth Freck
"Grace"	Gage Helms
"Wings"	Winifred Reidenbach
"Eyes"	Herbert Fensler

Duet	Helen Sponseller and Carl Dauler
Pianologue	Mary Gunsett
Monologue	Besse Rummel

The banquet was a real success in every way, and was one of the most beautiful ever given in Tully-Convoy High School.

Athletics

BELLEROPHON

R. H. JAMESON—"Jamie"

Coach

"Jamie" as Coach Jameson was generally called started the football season with practically an inexperienced group, thus making it necessary to spend much time in teaching the fundamentals of the game. This, we feel, he did in a very commendable manner. The fellows on the squad will long remember his "Get low and drive."

PAUL HEDGES—"Hedge"

A 2-letter man

Hedge played guard, always holding the line when it was necessary. We are sorry that this is Hedge's last year. He was elected Honorary Captain at the close of the season by his team mates.

JOHN SHAFFER—"Johnnie"

A 3-letter man

John was a big cog in the team's offense. He helped to make large gains by his running and passing. As John still has another year in high school, we are expecting great things of him next year. After the last game of the season he was honored by being elected Captain by his co-workers.

MURRAY WOODS—"Doc"

A 1-letter man

Murray did not come out at the first of the season, but by mid-season he developed into a very hard-hitting fullback.

LORENZ REIDENBACH—"Reidy"

A 1-letter man

Reidy, better known as "first and ten" to his opponents was justly feared by all backs when trying to go through his side of the line.

WARD CRABTREE—"Cal"

A 1-letter man

Cal, a very hard-hitting halfback, could certainly run on his off-tackle plays. We'll miss him next year.

WARD McDANIEL—"Mac"

A 1-letter man

Ward, playing end, received some very nice passes. He also was our punter, usually out-punting his opponent.

HY DAVIS—"Davis"

A 1-letter man

Hy was a great help in our offense. He snared many passes from the air for gains. This was Hy's first and last year.

MARLIN KILGORE—"Killy"

A 1-letter man

Marlin played halfback and did some very fine blocking on end runs and off-tackle plays.

DONALD LARE—"Don"

A 1-letter man

Don did not go out at the first of the season, but with his fighting spirit, he developed into a very good tackle.

BELLEROPHON

DANIEL PUGH—"Dan"

A 1-letter man

Dan, playing guard, sure made some nice holes for our backs to go through.

MARLEN MUNTZINGER—"Muntz"

A 1-letter man

Marlen got some very nice tackles behind the line of scrimmage.

CARL DAULER—"Fat"

A 1-letter man

Due to injuries this was Fat's first year out, but we will always remember how he plugged up the holes in the line.

FLOYD GREULACH—"Toatie"

A 1-letter man

Although Floyd was the smallest player on the team, he made up for this with his fighting spirit.

REX HANLEY—"Rex"

A 1-letter man

Rex, at end, stopped many runs and off-tackle plays, before the opponents got started. He also caught many passes for gains.

WILLIAM D. LONG—"Willie"

A 1-letter man

Bill, playing tackle and guard, always did his best when needed. He usually got some nice tackles. We are sorry that this is his last year.

GAIL MOHR—"Gail"

A 1-letter man

Gail made some splendid runs, and was a great help to the team on the defense.

THE SEASON'S RECORD

October 4—Paulding—Here 0-33

Convoy opened the season with Paulding here. During the first quarter the team fought hard, and held Paulding scoreless. In the last half it seemed that the team weakened, and Paulding scored four touchdowns.

October 11—Hicksville—There 0-47

The team travelled to Hicksville for the second game of the season. In this game four of the regulars were injured, and were unable to play the entire time. Hicksville had some very fast backs, and succeeded in many end runs. This was a large factor in our defeat.

October 18—Rockford—Here 6-20

Convoy made its first touchdown of the season in this game. Shaffer intercepted a pass and ran sixty yards for a touchdown. The boys displayed a better brand of ball in this game.

November 8—Oakwood—There 12-44

The team again scored in this game. The boys had some nice passes, and netted two touchdowns from them.

November 15—Payne—There 0-12

This was the last game of the season. It was hard-fought throughout, and was really anybody's game until the final gun cracked. Convoy threatened to cross Payne's goal line many times, but seemed to lack that final punch to put it across.

At the close of this game the team was banquetted at the schoolhouse, at which time they elected John Shaffer and Paul Hedges, the two letter-men of last year's squad, honorary captains.

ROBERT H. JAMESON—"Jamie"

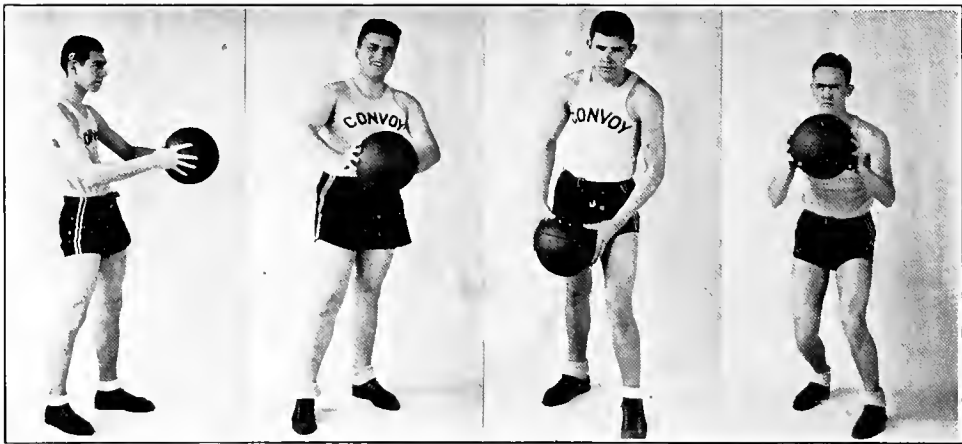

Coach

Coach Jameson had a great deal more experienced material with which to work in basketball than he had found for football. It was his ambition to continue the fine work that the teams in previous years had started. "Jamie" is a fellow who likes the game, and enjoys working with the boys. In short, a great deal of credit is due him for the fine record made during the past season.

WARD CRABTREE—"Cal"

A 1-letter man

"Cal" did a great deal of dribbling, and was able to get quite a few short shots. He was elected honorary captain by his team mates at the end of the season.

HY DAVIS—"Hy"

A 3-letter man

Hy at center was usually able to get the tip-off from his opponent. He was selected on the County "All Star" Team by the officials and newspapermen at the county tournament.

PAUL HEDGES—"Hedge"

A 2-letter man

"Hedge" in spite of his size got around very well. He usually held his opponent down to a low score. All fans will remember him for his affable disposition.

JOHN SHAFFER—"Johnnie"

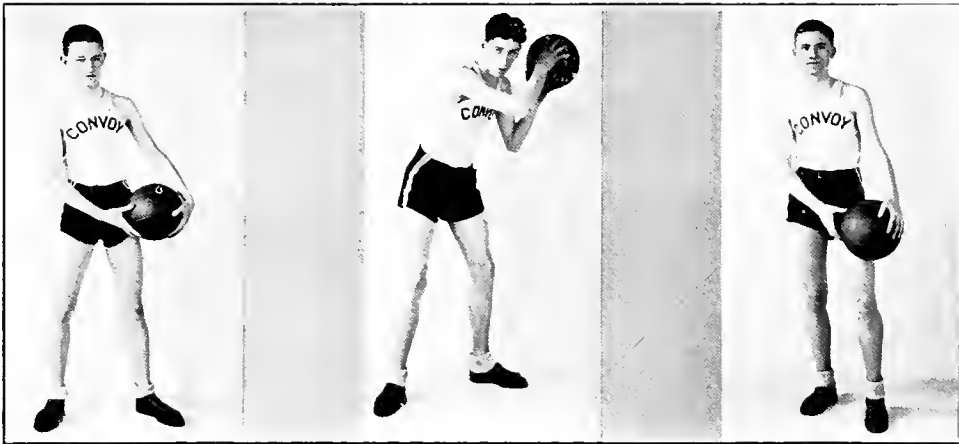

A 2-letter man

John always played a hard game at guard. He generally fed the ball in on the offense, and helped garner the shots.

GAGE HELMS—"Henry"

A 3-letter man

"Henry," our veteran forward, was very accurate on shots at the foul line, and quite successful at getting the ball from the tip-off. He was selected forward on the County "All Star" Team by the tournament officials.

WILLIAM D. LONG—"Bill"

A 1-letter man

"Bill" did not play much the early part of the season, but when he broke into the line-up during the tournaments, he showed the fans that he could play basketball.

WARD McDANIEL—"Mac"

A 1-letter man

Ward substituted regularly at guard and center. He always did his best when called upon.

GAIL MOHR—"Gail"

A 1-letter man

Gail played in several games at forward. He always did everything in his power to help the team win. We are expecting great things of him next year.

BOYS' BASKETBALL SQUAD

With the pigskin season over for only a few weeks, Convoy started on perhaps the longest and most difficult schedule in the history of the school. Of the seventeen games scheduled, five were with Class "A" schools and one with the Alumni. This showed that the team played in very keen competition. With the regular playing schedule and the tournament games, the squad played twenty-three games, winning sixteen of them.

This was the first year that the Reserves have engaged in any inter-school contests. Of three games, they succeeded in winning from the Ft. Recovery Reserves, having been defeated by the Van Wert and Rockford Reserves.

These fellows came out regularly for practice, and it is to them that a great deal of credit should be given for the development of the Varsity.

Taken as a whole, the season just closed has been a most successful one, with good sportsmanship the aim of the fellows, and the honor of the school uppermost in their minds.

THE SEASON'S RECORD

Convoy opened its season by defeating Wren 28-13. This was Coach Jameson's first opportunity to get a line-up on his men.

With the rough spots smoothed off, Paulding was the next victim. They fell to the score of 31-9.

In the next game, due to some lucky long shots, the High School bowed to the Alumni by the score of 16-33.

Wren played its return game here, falling to the tune of 24-13. They tried mighty hard to stage a come-back, but were unsuccessful again.

Of course there will always be snags. A real one was met when York came to Convoy to play. York had a rally in the last few minutes, and won 23-28.

After the defeat by York, Convoy came back determined to win, and defeated Spencerville 28-14.

Mendon caused no trouble at any time during the game, and this gave Coach Jameson a chance to use many substitutes. The score of this game was 39-20.

Delphos's scalp was the next to be annexed. The game ended 30-23.

The game with Ohio City resulted in a 21-9 score in our favor. Ohio City started out strong, but this was short-lived, and after the first five minutes there was no real danger. Eleven men had a chance to play in this game.

Ft. Wayne Central Catholics proved to be a large boulder in the path of the "Red and White," and the boys were defeated 27-32.

Along with the snags of the game there is also what might be termed the "breaks" of the game. Convoy journeyed to York, where they played what proved to be one of the most thrilling games of the season. At the end of the regular playing time the score was 20-all. After two over-times had been played, York finally won 27-29.

The next night the team travelled to Van Wert, and was defeated by the score of 10-12 in a very slow and uneventful game.

Ft. Recovery proved to be an easy victim. The whole squad was used in this game, and the final score was 37-15.

Ft. Wayne proved that it was a real foe when they came to Convoy. The game ended 24-42 and not in our favor.

Haviland's winning streak was stopped when Convoy played there. They had won eight consecutive games, and when the whistle blew the score was 29-20 in our favor.

The team was out for revenge for the defeat that Van Wert had handed it earlier in the season. The boys took the lead in the second quarter, and from then on they were never in danger, so Van Wert fell 23-17. The crowd displayed more enthusiasm at this game than in any previous game.

The boys were determined to win their last home game of the season. Rockford put up a good fight, but was finally downed 27-16.

TOURNAMENTS

Van Wert County Tournament—Ohio City—February 28-March 1

Convoy played Ohio City in the final session on Friday, February the twenty-eighth. The boys won easily 29-14. There were many substitutions in this game.

The boys started the new month right by "snowing" Ridge under 41-29. The entire squad of ten men had a chance to play in this game, and yet the boys won by a wide margin.

Winning the Ridge game placed our team in

the finals. The boys were now facing York, a team that had already defeated them twice during the regular season. The fellows were determined to win, and when the final gun cracked, the score stood 27-25 in our favor.

As a reward for winning the county tournament, Helms and Davis, who acted as captains during the tournament, received a regulation size silver basketball, while Crabtree received for the team, a baseball and glove which was presented the winners by the business men of Ohio City.

Sectional Tournament—Stryker—March 7-8

Convoy opened the Stryker Sectional Tournament by defeating Payne 25-24 in a very exciting game.

That same evening the boys trimmed Pettisville 26-21. This victory gave them the right to enter the semi-finals Saturday afternoon.

Being unable to make their short shots and fouls, Convoy fell before Archbold 22-32, even though the ball was in their possession the major portion of the game.

Thus ended a very successful basketball season for the "Red and White" lads,—one which will long be remembered alike by players and fans.

Girls' Tournament

Convoy played Ridge in the first session of the tournament, February the twenty-eighth in the Ohio City Liberty gymnasium. Ridge was "snowed" under by the score of 13-2; all "subs" had a chance to play; and Ridge's two lone points were made via the foul route.

The next morning the girls met the strong Union team. The Union girls were outplayed during the whole game, but put up a mighty good fight. After a hard battle our girls won by the score of 11-10.

The final game of the tournament was played with York. Convoy's fine team work and passes saved her from being defeated. All the girls played an excellent game, but the beautiful long shots that "Killy" made will never be forgotten. When the final gun was fired, Convoy was on the long end of the 25-17 score.

A regulation size silver basketball, a basket of flowers from Mr. C. H. Tref-fenger of Van Wert, Ohio, and twelve bouquets of roses from the business men of Ohio City were awarded to the Convoy Girls' team.

ALICE ARMSTRONG—Guard

A 2-letter girl

Alice was a reliable guard. Whenever we needed the forwards held down she was there to do her part. She also broke up the dribbles of the other players which saved the score from being any higher. This being the last year for Alice we will miss her next year. She was elected Honorary Captain by her co-workers.

DARWIN C. EATON—Coach

Mr. Eaton has proved himself to be a splendid coach. Teams to come will realize his value because he spent much time and patience with reserves as well as with the regulars. The encouragement which he gave us before going into the games helped us to win many victories. We cannot give all the credit to the players alone for winning the County Tournament as a large share of it should go to Mr. Eaton. He also has the good will and friendship of all his players this year. We hope Mr. Eaton will be back next year.

ALTHA KILGORE—Forward

A 3-letter girl

Altha was our star forward. Her quickness made her very hard to guard. She has played for three years and deserves a great deal of praise for her excellent work. We are sorry that this is Altha's last year. At the close of the season she was elected one of the Honorary Captains by her team mates.

BETTY DWIRE—Running Center

A 1-letter girl

Betty was always there at the tip-off being especially good in baffling her opponents and quick in getting the ball to the forwards. Betty has another year in high school.

HELEN BRICKER—Forward

A 3-letter girl

Helen brought up the score by her ability at making baskets and carrying her share of the game. She also displayed good team work and was responsible for helping to make baskets which she herself did not make. She still has another year in high school.

ELIZABETH GREEN—Jumping Center

A 1-letter girl

Elizabeth's height has helped her very much. She went into the game determined to get the ball and pass it to the forwards. This is Elizabeth's first year with the team and we are glad that she will be with us two more years.

MILDRED TRACY—Guard

A 3-letter girl

Mildred was a splendid player—one who will be long remembered because she was successful in breaking up many passes. She was quick and very good at catching dribbles, which saved us from many a defeat. She has one more year with us.

THE SEASON

December 6—Convoy-Wren

There—29-3

The Convoy girls opened their 1929-30 season with a decisive victory over Wren. In this game the girls showed fine team work in their passes, and the forwards were quite successful when it came to making baskets. We kept the lead throughout the game.

December 13—Convoy-Paulding

Here—21-12

Paulding came here determined to win but our girls soon changed their ideas. The team displayed a better brand of basketball in this game, although many fouls were called on both teams.

January 1—Convoy-Alumni

Here—16-7

The graduates came back to play a game of ball with the team. Our guards showed that they could outplay the Alumni forwards. Reidenbach was the high scorer for the Alumni, while Kilgore made the baskets for Convoy.

January 3—Convoy-Wren

Here—24-8

Again the Wren girls were outplayed during the whole game by our team. Having run up a large score, the reserves were substituted in the last half. They showed fine prospects for next year.

January 7—Convoy-York

Here—16-12

The team was ready to put up a battle if necessary. The girls' team work saved us from defeat. We missed Elizabeth Freck as one of our forwards.

January 10—Convoy-Spencerville

Here—14-9

The girls showed good sportsmanship and team work. The forwards were excellent on their shots while the guards and centers broke up the passes and dribbles of their opponents.

January 14—Convoy-Mendon

Here—30-7

The team went out on the floor full of spirit and team work. All played a fine game, and outplayed Mendon throughout the game. The reserves were substituted and showed fine team work, also.

January 17—Convoy-Delphos

Here—20-6

Convoy easily defeated Delphos although this team put up a game fight. Our guards kept the forwards from making baskets while our centers got the ball to the forwards who were lucky in putting the ball through the rim.

January 24—Convoy-Ohio City

Here—6-14

Although this was Convoy's first defeat, Ohio City had to put up a hard game. Ohio City was outplayed by our team during the first half, but our forwards had bad luck with their shots during the last half.

January 31—Convoy-York

There—19-18

It was team work that saved us from defeat. The girls had fine pass work and the forwards made the baskets to keep us in the lead. Everyone was determined that York was not going to win.

February 11—Convoy-Grover Hill

Here—19-11

Grover Hill came here with lots of pep and confidence but our team soon changed their minds by our guards and centers breaking up the passes and our forwards making the baskets.

February 14—Convoy-Haviland

There—17-13

Thrilling! Exciting! The game was fast and rough. After the girls were put back in their former positions full of pep and team work they outplayed Haviland during the rest of the game.

Feb. 18—Convoy-Lima Business College

Here—16-15

The team was full of pep, and luck was with Convoy. Tracy's illness kept her off but Armstrong filled her place well. Lima had good guards, but our forwards were just a step ahead of them.

GIRLS' BASKETBALL SQUAD

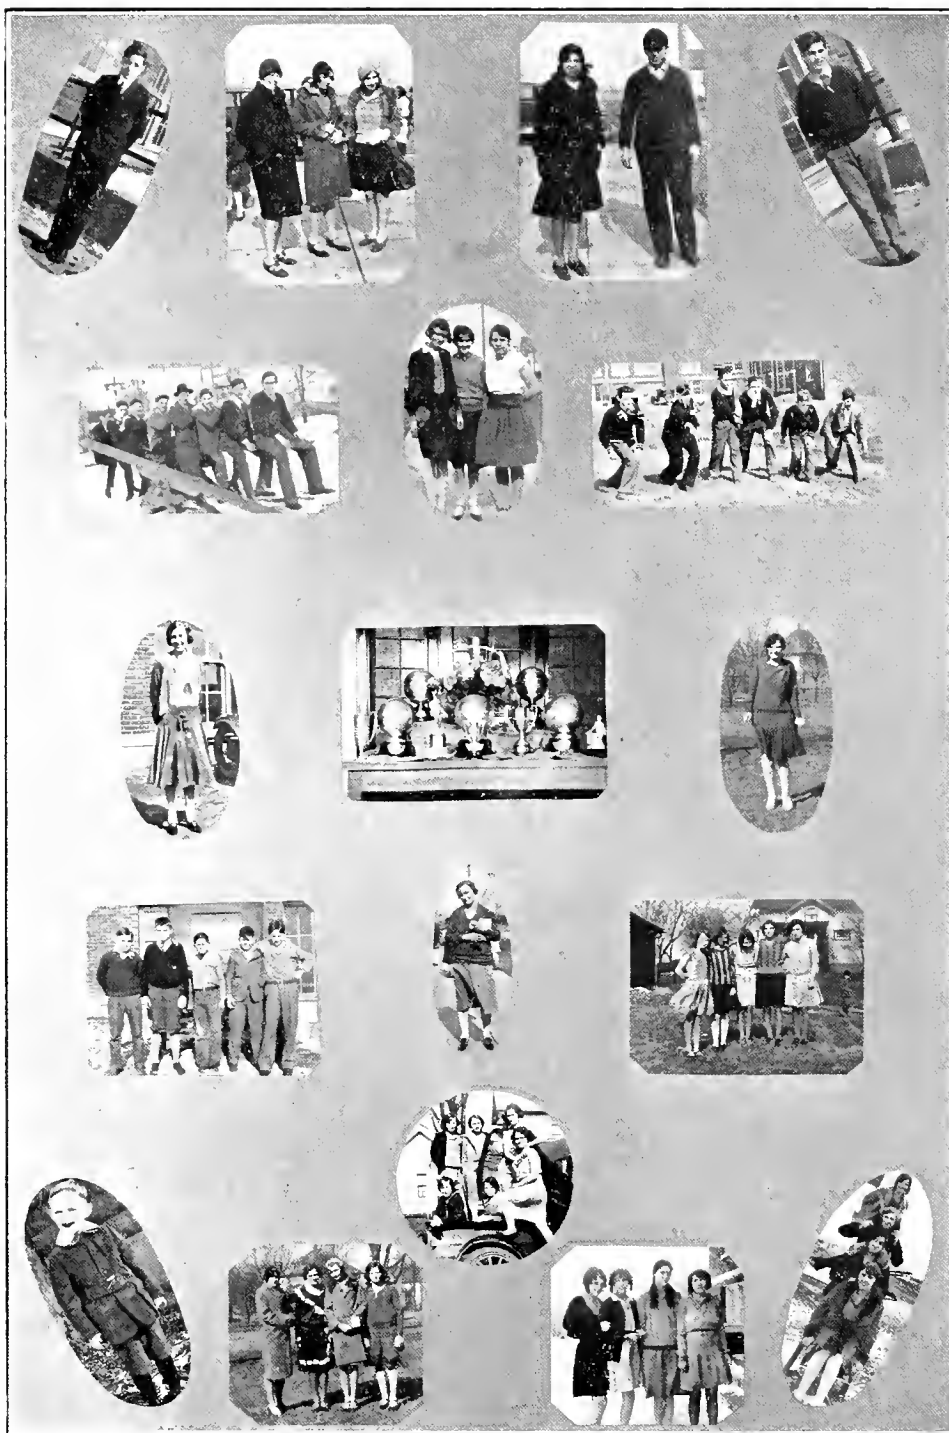

The girls who did not make the team should be praised for the faithfulness and pep which they showed in opposition so that the girls of the regular team gained the necessary practice to enable them to win their games. All girls who helped the squad helped themselves, and will no doubt be awarded places on the team before their graduation. May they, too, adopt for their motto, "A team that won't be beat can't be beat," by which we have so earnestly tried to abide this past year.

This year we have had a new coach, Mr. Eaton, who developed a splendid team that enjoyed a very successful season. He taught us many tricks and passes. The girls showed a fine spirit of co-operation and learned new plays. The girls owe much to Mr. Eaton as coach and to Miss Benroth for their help and encouragement during practice and at games.

Somebody Told Us—

To be anxious to succeed is the most universal thing in the world.

To be willing to pay the price of success is unfortunately one of the most unusual things in the world.

Longfellow says:

"The heights by great men, reached and kept,

Were not obtained by sudden flight;

But they, while their companions slept,

Were toiling upward in the night."

Saving is fully as important as earning. No matter how little one earns, he should spend a little less, because there will come a time when he will be unable to earn.

ZIMMERMAN'S SOLILOQUY

Scrape, Scrape, Scrape,
Each morning I have to shave,
And then with a tonic to coax my hair,
The top of my head I lave.
And this is the song I spin,
While giving the blade a shove,
Why can't I be bald upon my chin,
And have whiskers grow above?

On the morning of February 25, 1930, the Sophomores, by their beautiful whistles succeeded in coaxing a pup to Biology class. They placed him on a seat where he seemed at home, and in his right environment. Mr. Jameson came in, sat down, stroked his chin, pulled down his vest, and said—as if he saw nothing unusual—"I see we have an addition to the Sophomore class." Silence—the curtain drops—twenty-three killed, and twenty wounded.

Mr. McCleary with an intense interest politely asked his Democracy Class—"Where and from whom do you get your marriage license?"
It looks rather serious.
